**Settlement reached with Webco Industries, Inc. regarding violations of EPCRA 313.**

Webco Industries Inc. has signed a CAFO agreeing to pay \$193,679 in penalties for violations discovered by Region 6 during an EPCRA 313 inspection of Webco's Mannford Specialty Tube facility in Mannford, OK. During the inspection, Region 6 discovered several violations of the Toxic Release Inventory reporting requirements in relation to the facility's use of chromium, manganese, and nickel. The facility failed to submit TRI Form Rs for reporting years 2004-2007 and submitted TRI Form Rs for reporting year 2008 approximately 270 days after the reporting deadline. **Technical Contact:** David Riley 214-665-7298; **Legal Contact:** Angela Hodges 214-665-2796
